

ZP11 Weekly Notes
9/2/15

INTERVIEW WITH FLORIDA TELEVISION NEWS (email to:

timothy.j.lang@nasa.gov/256-961-7861): On Thursday, August 27, 2015 Timothy Lang/ZP11 did a Skype interview on the subject of sprites for Tampa's Bay News 9 station. The subject was motivated by the recent sprite photographs taken from the International Space Station (<http://earthobservatory.nasa.gov/IOTD/view.php?id=86463>). The reporter also was interested in how the public could see sprites in Florida.
